# WE VISIT MINNESOTA, 2008 AUGUST

AUGUST 18, 2008 | ANNA

*Helena and Gillian*

We helped celebrate Haley's birthday, watched the boats and had dinner at Lake Minnetonka, went running with Jill and Lucy, looked for bunnies at the park with Archer, and of course just participated in the ongoing and never boring "Archer and Helena show."

It's a two-day drive from Colorado, and the first night we stopped at Custer State Park where we saw pronghorn, deer, wild turkeys, and buffalo (bisons). We had a doozy of a thunder, lightning, rain, and hail storm as we arrived at the campground. Fortunately we were under cover in our RV when it hit, but we one of the windows did leak a bit. We'll have to get it fixed some day.
