# HIKING THE WOOD ROAD TRAIL IN ALMADEN QUICKSILVER

AUGUST 28, 2016 | ANNA

*Quicksilver furnace*

In early August we hiked the Wood Road trail in Almaden Quicksilver County Park.

We like the Hicks Road side of the park because the parking lot is roomy and there aren't quite as many people as Hacienda or Mockingbird Hill, and the trails are hilly but not too steep.

We made it all the way up to the rotary furnace, Spanish Town, and the Hidalgo Cemetery.
