HIKING AT QUICKSILVER

JULY 17, 2016 | ANNA

Hacienda trail

On Saturday, July 16, 2016, we hiked the Hacienda trail of Almaden Quicksilver County Park. It's the first time ever that we parked in the Mockingbird Hill parking lot, from which several major trails fan out into the hills.

We decided on Hacienda trail, which is wide but very steep in places. The views are certainly worth the climb.
