HIKING AT SIERRA AZUL

JULY 17, 2016 | ANNA

On Friday, July 15, 2016, we hiked at Sierra Azul Open Space Preserve; this was our second time this summer. It's tucked in a quiet corner off Hicks Road, just behind Almaden Quicksilver County Park, which is another favorite hiking spot of ours. The main trail is shady and not too steep for the first mile or so.

Always in view is the radar tower on Mt Umunhum, a Cold War relic no longer used.
