# BACK TO SCHOOL AT MINNEWASHTA ELEMENTARY

AUGUST 31, 2016 | ANNA

*First day of school*

From August 30 – September 8, 2016, we visited the Blomquists in Shorewood, Minnesota.

The day after we arrived we had the privilege of attending the “back to school” event at Minnewashta Elementary School, where Archer will be in the fifth grade and Helena the third. It brought back happy memories: we have always loved our first days of school!

Over the weekend we hiked and waded at Minnehaha Falls and the Landscape Arboretum. We also rode in Mike and Gillian’s new boat, and ate at Lord Fletcher’s by the lake and Kowalski’s Market in Excelsior.

Best of all, we enjoyed the company of our children, grandchildren, and granddog, Boomer.
