HAPPY GRADUATIONS!

MAY 29, 2017 | ANNA

We have now officially celebrated two of our three grandkid graduations this year: Miranda's ceremony with over 700 participating seniors from Evergreen Valley High School was last Thursday (May 25, 2017), and Matthew will get his AA transfer diploma (from San Jose City College to San Francisco State University) after summer school. Miranda will start college at our local West Valley College (community college) in the fall.

Next week (June 7, 2017) Archer will participate in a 5th grade promotion ceremony at Minnewashta Elementary School (near Minneapolis); he'll be headed to Minnetonka Middle School in the fall.

We are so proud of them all, including Helena, who will be moving up to the 4th grade at Minnetonka Elementary.

Above and below are a few photos from the family get-together this past week and weekend. We'll have more when we return from Minnesota!
