OUR RENT-A-SHEEP ON FARNSWORTH

APRIL 29, 2018 | ANNA

We are lucky to have both rent-a-sheep and rent-a-goats for a couple of weeks every spring in our neighborhood. This sheep is a member of the flock along Farnsworth; they showed up in late April 2018 and will eat their way from San Felipe down to Silver Creek Valley.

The Livengoods are especially lucky: they have a flock of goats right behind their house!
