# REMEMBERING AND PAYING TRIBUTE

MAY 26, 2019 | ANNA

*Mr Barnhill program*

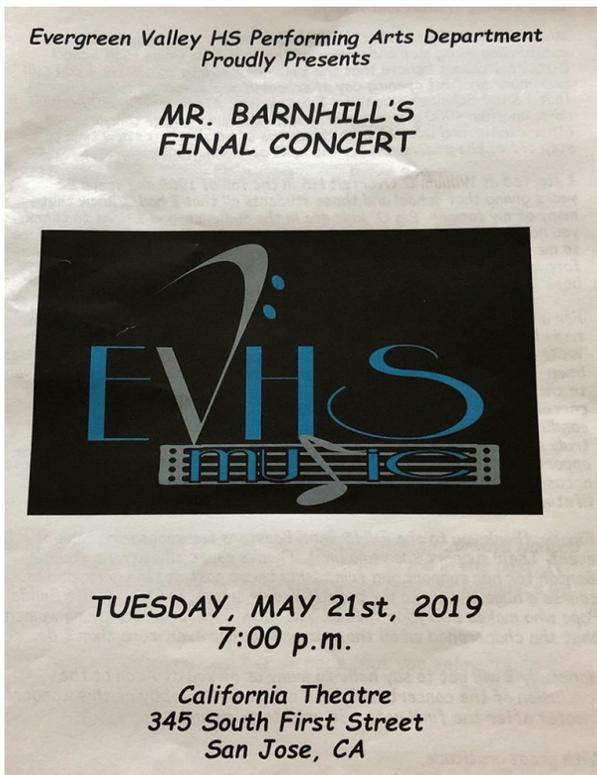

This past week (May 19-25, 2019) was for us a time to remember and pay tribute.

We joined our daughter Ellen at the Stanford theater in Palo Alto in watching a well-known Doris Day (1922-2019) movie, *Lover Come Back*.

We also joined Ellen and our granddaughter Miranda at the California theater in San Jose for the final concert conducted by beloved high school music teacher Steven A. Barnhill. Mr. Barnhill is retiring after 35 years in the East Side High School District. Miranda was in one or more of his music classes during every one of her four years at Evergreen Valley High School.
