BLOMQUIST VISIT FOR NEW YEAR 2020

JANUARY 6, 2020 | ANNA

To our great pleasure, the Blomquists came to California to celebrate post-Christmas week, Archer's birthday, and New Year's.

The Livengoods provided their home and 5th wheel trailer (normally parked on their Sonoma County lot) for lodging, and Dick and I provided our larger car (which holds all 6 of them) for transportation. Dick and I joined the "clan" for a number of events and adventures, including Monterey Bay Aquarium, and a tour of Alcatraz.

It's always fun having the everyone together, especially for the winter holidays. Thank you, everyone, for your effort, support, and companionship!
