# HAPPY 25TH ANNIVERSARY, ELLEN AND RICK!

OCTOBER 7, 2020 | ANNA

A couple of months ago (July 29) I posted about Gillian and Mike's 20th wedding anniversary; now, coming up on October 7, 2020, is Ellen and Rick's 25th. This one was equally fun and special; the ceremony took place on the beach on the island of Kauai, and friends and family flew in from far and wide.

We had planned on celebrating these two anniversaries, several birthdays, and a couple of graduations with a family gathering on Kauai this past June, but unfortunately the pandemic and other tragedies have gotten in the way.

Below are a few more Livengood wedding photos and other family pictures. We cherish these happy memories, and here's to more happy times in the future!
