# GOOD-BYE TO SANTA CLARA COUNTY

SEPTEMBER 25, 2020 | ANNA

(September 2020) Although we expect to be visiting often during the next few years, we recently “officially” said good-bye to Santa Clara County, our home territory during the last 50 years. Here are a few special places that we recently revisited, and a few memories dear to us and our kids, who all grew up in Cupertino.

*So many memories! The house we bought on Bel Aire Ct in Cupertino in 1971.*

*The price we paid in 1971, \$47,000, seems about right to me. But the current price? Never!*

We've hiked and jogged at Rancho San Antonio hundreds of times. We were among the first visitors when it opened in 1977. Thank you, Midpeninsula Regional Open Space District!
