EDWARD MOSELEY RETURNS FROM VOYAGE AROUND THE WORLD

SEPTEMBER 21, 2023 | DICK

Edward Moseley in 1910

My grandfather Edward Moseley was born September 21, 1882. In honor of his birthday I commemorate a trip he once made around the world while he was in the US Navy. Here is an article in the Auburn, NY newspaper describing his feat:

Edward Mosley, son of William J. Mosley, has just returned from four years' service in the United States navy. He has seen many things of interest, as he has made a trip around the world. Most of his service was passed in Chinese waters. He enlisted as a musician, but later took up the trade of carpenter. He was honorably discharged as second class carpenter's mate.

Strangely enough, in all the years I knew my grandfather, he never once said anything about this trip! He even gave me a book of stamps he collected on the trip without telling me where they came from.

Anyway, Happy Birthday Grandpa!
