David Berryman Nuss bow tie chart

On November 26, 2023, Dick posted on this site about recent research he had done on our son-in-law Rick's family history in the Nuss family group. For example, he found out that Henry F Nuss was in the Union Army during most of the major battles fought by the Army of the Potomac.

More recently I (Anna) have been doing some additional work on the Nuss family. Thanks to new information and photos from Rick and his half-sisters Cherie and Carla, I've rewritten the Nuss family page and updated the Nuss Family Tree Maker reports.

*Shirley Woodruff and David Nuss, 1948*

*Rick Livengood and the three Nuss sisters: Dana, Cherie, and Carla, about 1964*
